Msg Nr: 6

29 Nov 63

--

The Ecuadoran Military Junta would like to sponsor the granting of the Nobel prize to the deceased President KENNEDY in consideration of his great work for world peace.

Please inform me immediately of the qualifications and conditions that are required for such granting, and sound out discreetly the form in which to put this strong desire of the Ecuadoran Government.

In case there is the possibility that a specific démarche would succeed, let me know the proper way in which to make it official.
